

## JBF Bloomington/Burnsville Valet Tagging Info

Too busy to tag your kid's outgrown items, but still want to earn money? We have the solution for you!

### How Does Valet Tagging Work?

Our Valet Taggers are experienced Just Between Friends consignors and will help you save time by prepping and pricing your kids' outgrown items for you for the upcoming Bloomington/Burnsville Sale Event. You can trust their judgment and years of JBF experience to help get your items sold! We encourage clear and prompt communication between you and your Valet Tagger for the best outcomes!

### Get Started!

1. Email [bloomington@jbfsale.com](mailto:bloomington@jbfsale.com) to be connected with a Valet Tagger.
2. Complete the Consignor Registration form at [bloomington.jbfsale.com/sell](http://bloomington.jbfsale.com/sell) by signing the consignor waiver, choosing a drop-off time, and paying the consignor fee.
  - If this is your first time consigning with JBF, you will also need to create a consignor tagging account at [myJBFTags.com](http://myJBFTags.com).
3. Send the completed Valet Tagging Waiver to your Valet Tagger.
4. Arrange to meet up with your Valet Tagger to give them the items you are hoping to sell.
5. Once your Valet Tagger has tagged all of your items, they will contact you to arrange for pickup and payment. Your Valet Tagger will let you know the total owed before you meet. Payment must be made at pickup and can be cash or check.
6. You are responsible for bringing your items to your pre-chosen drop-off appointment before the sale and returning to claim any unsold items after the sale (unless you choose to donate your items to the JBF Bloomington/Burnsville charity partner).
7. Consignors using Valet Taggers receive the same shopping perks as all other consignors, including consignor presale passes and half-price presale passes.
8. Consignor checks will be sent via email within two weeks after the conclusion of the sale.
