

JBF Bloomington/Burnsville Valet Tagging Waiver

Please initial:

_____ I have completed the Consignor Registration for the next JBF Bloomington/Burnsville sale event at bloomington.jbfsale.com/sell (If this is my first time consigning with JBF, I have also created a tagging account at myJBFtags.com.)

_____ I understand that prior to dropping off my items with my Valet Tagger, I will sort through them; pulling out anything that is not suitable for JBF Bloomington/Burnsville sales (i.e. stained, torn, etc.).

- I will review the What We Accept document on bloomington.jbfsale.com/how-to-sell to ensure my items will be accepted.
- I will ensure that my items are clean and current styles. Items will not have any rips, stains, holes, etc.
- I will ensure my items are complete with all pieces and parts, including working batteries if needed, and compliant with all safety guidelines.

_____ I understand that it is my responsibility to determine if items have been recalled by going to jbfsale.com/safety. I will not give recalled items to my Valet Tagger to tag.

_____ I understand that my Valet Tagger may price things differently than I might, and I will discuss any pricing preferences in advance.

- Valet Taggers may group similar items together. Ex. Clothes may be grouped on one hanger in outfits or by similarity. I understand that I will be charged by the hanger and not by the number of total items.

You have the option of letting the price of your items be reduced by 50% on the last day of the sale; known as half-price day. We highly recommend reducing the price of your items.

Choose one:

_____ I would like to reduce the price of **ALL** my items by 50% on the last day of the sale.

_____ I do not want to reduce the price of any of my items on the last day of the sale.

_____ I will tell my Valet Tagger which of my items should be reduced by 50% and which should stay full price.

You have the option of picking up your unsold items after the sale or donating them to the Charity Partner.

Choose one:

_____ I will pick up my unsold items after the sale

_____ I will donate all of my unsold items. (If you choose this option, your items will automatically be donated and you do not have to come to pick up.)

_____ I will tell my Valet Tagger which of my unsold items I will pick up and which items should be donated.

_____ I understand that I will receive my items back, tagged, in exchange for cash or check payment, and my Valet Tagger will tell me the final price in advance.

Valet Tagging Fees:

\$0.50 per item tagged

\$0.25 per item handled but not tagged due to stain/hole/broke/etc.

\$20 Supply fee for the first 100 items (hangers, pins, cardstock, ink, etc.)

\$5 supply fee for each additional 50 items

_____ I understand that it is my responsibility to bring my items to the sale and pick up any unsold items afterward (unless I am choosing to donate all my items).

_____ I understand that if payment is not exchanged then the cost of valet tagging will be taken out of my consignor check after the sale.
