

# JBF Bloomington/Burnsville Valet Tagging Agreement

Name: \_\_\_\_\_ Consignor #: \_\_\_\_\_

Email: \_\_\_\_\_ Phone: \_\_\_\_\_

Sale Season/Year: \_\_\_\_\_

## How Valet Tagging Works

- You meet your valet tagger and provide **clean, sale-ready items**
- Your tagger **prices and prepares** them
- You pay the tagger (cash/check) when picking up your tagged items
- You **bring items to drop-off**
- After the sale, you **pick up unsold items** unless donating
- You receive the same consignor perks, including presale passes

## Fees

- \$0.50 per item tagged
- \$0.25 per item reviewed but not tagged
- \$20 supply fee for first 100 items
- \$5 supply fee for each additional 50 items

Items may be grouped (outfits, sets, etc.), so you may not be charged per individual piece.

## Consignor Responsibilities

Please initial each line:

- I have created my JBF tagging account at myjbf-tags.com and fully registered for the sale by signing the consignor waiver, choosing a drop-off time and paying my consignor fee at Bloomington.jbfsale.com/sell
- I will sort my items and remove anything stained, torn, recalled, or otherwise not acceptable before giving items to my valet tagger.
- I will provide batteries for items that require them. I understand items without batteries may be rejected.
- I understand valet taggers are not responsible for checking recalls and some items may still be declined at inspection.
- I understand that I am responsible for bringing my items to Drop-off at the sale and picking up unsold items after the sale, unless I choose to donate them all.
- I understand my tagger may price items differently than I would, and I will discuss preferences in advance.
- I understand I will receive my tagged items in exchange for payment, and the total due will be shared with me before pickup. If I do not pay at pickup, valet fees will be deducted from my consignor check.

## Reduce & Donate Choices

(Select your preferences)

- Reduce my items to **half-price** on the final day of the sale.
- Donate all unsold items to the JBF Bloomington charity partner.
- I will communicate my preferences to my valet tagger when I give my items to them
